Assured Profit from Quality Lawn Seed

Lawn Seed is one of your most profitable lines--there is always an assured profit. Are your stocks complete so that you can take advantage of the Spring demand?

Lawn Seed is bought on faith. There are few buyers who, from superficial examination, can tell whether the seed is good or bad.

Dickinson's Quality Lawn Grass Mixtures justify your faith and mean satisfaction to your customers in results. They are composed of the finest Domestic and Imported turf grasses correctly blended to ensure the best permanent green lawn, and are carefully recleaned to reduce the weed and chaff contents to a minimum.
